Person receive Pre-NSP on person’s account if the following two requirements are met: softcap is raised and working version of the platform is live (Ethereum blockchain based MVP). This platform version shall be integrated with several select hotels and will allow users to exchange their tokens for hotel services equal to up to 15% of the booking price. If one of the above requirement is not met after the pre-ICO is over, the person funds investors shall be automatically returned to the person’s account.
3. Company will have no control over when, how or whether the NOMAD.space Platform is adopted or implemented, or how, when or whether the NOMAD.space Platform is launched.
 - **BINDING AGREEMENT:** Buyer understands and agrees that Buyer is subject to and bound by this Agreement by virtue of Buyer’s purchase of Pre-ICO Tokens.

The token is not therefore intended to represent a security interest.
- PRE-NSP TOKENS MAY HAVE NO VALUE.

ARTICLE ONE: ACCEPTANCE OF AGREEMENT AND PURCHASE OF PRE-NSP TOKENS

1.1. This Agreement shall be effective and binding on the Parties when Buyer: (a) clicks the check box on the official <https://nomad.space/> website (the “Website”) to indicate that Buyer has read, understands and agrees to the terms of this Agreement; or, if earlier (b) upon Company’s receipt of payment from Buyer. Buyer agrees to be bound on this basis, and confirms that Buyer has read in full and understands this Agreement and the terms on which Buyer is bound.

The White Paper, as it may be amended from time to time, is hereby incorporated by reference. Buyer has read and understands the White Paper and its contents.

1.4. Pre-NSP Tokens.

- a. The Pre-NSP Tokens are not entitled to any guaranteed profit scheme. The Pre-NSP token holders have only a limited set of rights enforceable within the NOMAD.space system (platform). Tokens do not represent equity, shares, units, royalties or rights to capital, profit or income in the network or software or in the entity that issues tokens or any other company or intellectual property associated with the network or any other public or private enterprise, corporation, foundation or other entity in any jurisdiction. The token is not therefore intended to represent a security interest.

ARTICLE TWO: PRE-NSP TOKEN DISTRIBUTION

2.1. Allocation and Distribution of Pre-NSP Tokens. nomad.space intends to allocate and distribute Pre-NSP Tokens (the “Pre-NSP Token Distribution”) in accordance with the material specifications as set forth in White Paper. By purchasing Pre-NSP Tokens, Buyer acknowledges and understands and has no objection to such procedures and material specifications. Failure to use the official Website and follow such procedures may result in Buyer not receiving any Pre-

NSP Tokens. Any buyer of Pre-NSP Tokens may lose some or all of the amounts paid in exchange for Pre-NSP Tokens, regardless of the purchase date. The access or use of the Pre-NSP Distribution Contract, access or use of the Pre-NSP Token Contract and/or the receipt or purchase of Pre-NSP through any other means other than the official Website are not sanctioned or agreed to in any way by the nomad.space Parties. Buyer should take great care that the website used to purchase Pre-NSP Tokens has the following universal resource locator (URL): <https://nomad.space/>.

2.2. No U.S., Canadian, Chinese and South Korean Buyers. The Pre-NSP Tokens are not being offered to U.S., Canadian, Chinese or South Korean persons. U.S., Canadian, Chinese or South Korean persons are strictly prohibited and restricted from using the Pre-NSP Distribution Contract, using the Pre-NSP Token Contract and/or purchasing Pre-NSP Tokens and Company is not soliciting purchases by U.S., Canadian, Chinese or South Korean persons in any way. If a U.S., Canadian, Chinese or South Korean person uses the Pre-NSP Distribution Contract, uses the Pre-NSP Token Contract and/or purchases Pre-NSP Tokens, such person has done so and entered into this Agreement on an unlawful, unauthorized and fraudulent basis and this Agreement is null and void. Company is not bound by this Agreement if this Agreement has been entered into by a U.S., Canadian, Chinese or South Korean person as Buyer or Buyer has entered into this Agreement or has purchased Pre-NSP Tokens on behalf of a U.S., Canadian, Chinese or South Korean person, and Company may take all necessary and appropriate actions, in its sole discretion, to invalidate this Agreement, including referral of information to the appropriate authorities. Any U.S., Canadian, Chinese or South Korean person who uses the Pre-NSP Distribution Contract, uses the Pre-NSP Token Contract and/or purchases Pre-NSP Tokens or enters this Agreement on an unlawful, unauthorized or fraudulent basis shall be solely liable for, and shall indemnify, defend and hold harmless nomad.space and nomad.space's respective past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns (collectively, the "nomad.space Parties") from any damages, losses, liabilities, costs or expenses of any kind, whether direct or indirect, consequential, compensatory, incidental, actual, exemplary, punitive or special and including, without limitation, any loss of business, revenues, profits, data, use, goodwill or other intangible losses (collectively, the "Damages") incurred by a nomad.space Party that arises from or is a result of such U.S., Canadian, South Korean or Chinese person's unlawful, unauthorized or fraudulent use of the Pre-NSP Distribution Contract, unauthorized use of the Pre-NSP Token Contract and/or the receipt or purchase of Pre-NSP Tokens.

2.3. Allocation and Sale of Pre-NSP Tokens to nomad.space Parties. Buyer understands and consents to the participation of the Company's past, present and future employees, officers, directors, contractors, consultants, equity holders, suppliers, vendors and service providers in the purchase of Pre-NSP Tokens, including people who may work on the development and implementation of the NOMAD.space Platform or who may work for nomad.space's future businesses which nomad.space may establish with a portion of the proceeds from the Pre-NSP Token Distribution. All such nomad.space Parties will participate on the same terms as every other buyer of Pre-NSP Tokens and will be bound by this Agreement.

2.4. No Representations and Warranties. The Pre-NSP Tokens will be distributed to buyers thereof pursuant to the Pre-NSP Distribution Contract and the Pre-NSP Token Contract. None of

the nomad.space Parties makes any representations or warranties, express or implied, including, without limitation, any warranties of title or implied warranties of merchantability or fitness for a particular purpose with respect to the Pre-NSP Distribution Contract, the Pre-NSP Token Contract or the Pre-NSP Tokens or their utility, or the ability of anyone to purchase or use the Pre-NSP Tokens. Without limiting the foregoing, none of the nomad.space Parties represent or warrant that the process of purchasing the Pre-NSP Tokens or receiving the Pre-NSP Tokens will be uninterrupted or error-free or that the Pre-NSP Tokens are reliable and error-free. As a result, Buyer acknowledges and understands that Buyer may never receive Pre-NSP Tokens and may lose the entire amount Buyer paid to Company. Buyer shall provide an accurate digital wallet address to Company for receipt of any Pre-NSP Tokens distributed to Buyer pursuant to the Pre-NSP Distribution Contract and the Pre-NSP Token Contract.

2.5. Not an Offering of Securities, Commodities, or Swaps. The sale of Pre-NSP Tokens and the Pre-NSP Tokens themselves are not securities, commodities, swaps on either securities or commodities or a financial instrument of any kind. Purchases and sales of Pre-NSP Tokens are not subject to the protections of any laws governing those types of financial instruments. This Agreement and all other documents referred to in this Agreement including the White Paper do not constitute a prospectus or offering document, and are not an offer to sell, nor the solicitation of an offer to buy an investment, a security, commodity, or a swap on either a security or commodity.

2.6. Not an Investment. Buyer should not participate in the Pre-NSP Token Distribution or purchase Pre-NSP Tokens for investment purposes. Pre-NSP Tokens are not designed for investment purposes and should not be considered as a type of investment. Buyer acknowledges, understands and agrees that Buyer should not expect and there is no guarantee or representation or warranty by Company that: (a) the NOMAD.space Platform will ever be adopted; (b) the NOMAD.space Platform will be adopted as developed by nomad.space and not in a different or modified form; (c) a blockchain utilizing or adopting the NOMAD.space Platform are will ever be launched; and (d) a blockchain will ever be launched with or without changes to the NOMAD.space Platform and with or without a distribution matching the fixed, non-transferable Pre-NSP Token balances.

2.7. Not for Speculation. Buyer acknowledges and agrees that Buyer is not purchasing Pre-NSP Tokens for purposes of investment, speculation, as some type of arbitrage strategy, for immediate resale or other financial purposes.

ARTICLE THREE: NO OTHER RIGHTS CREATED

3.1. No Claim, Loan or Ownership Interest. The purchase of Pre-NSP Tokens: (a) does not provide Buyer with rights of any form with respect to the Company or its revenues or assets, including, but not limited to, any voting, distribution, redemption, liquidation, proprietary (including all forms of intellectual property), or other financial or legal rights; (b) is not a loan to Company; and (c) does not provide Buyer with any ownership or other interest in Company.

3.2. Intellectual Property. Company retains all right, title and interest in all of Company's intellectual property, including, without limitation, inventions, ideas, concepts, code, discoveries, processes, marks, methods, software, compositions, formulae, techniques, information and data, whether or not patentable, copyrightable or protectable in trademark, and any trademarks,

copyright or patents based thereon. Buyer may not use any of Company's intellectual property for any reason without Company's prior written consent.

ARTICLE FOUR: SECURITY AND DATA; TAXES

4.1. Security and Data Privacy.

- a. Buyer's Security. Buyer will implement reasonable and appropriate measures designed to secure access to: (i) any device associated with Buyer and utilized in connection with Buyer's purchase of Pre-NSP Tokens; (ii) private keys to Buyer's wallet or account; and (iii) any other username, passwords or other login or identifying credentials. In the event that Buyer is no longer in possession of Buyer's private keys or any device associated with Buyer's account or is not able to provide Buyer's login or identifying credentials, Buyer may lose all of Buyer's Pre-NSP Tokens and/or access to Buyer's account. Company is under no obligation to recover any PRE--NSP Tokens and Buyer acknowledges, understands and agrees that all purchases of Pre-NSP Tokens are non-refundable and Buyer will not receive money or other compensation for any Pre-NSP Tokens purchased.
- b. Additional Information. Upon Company's request, Buyer will immediately provide to Company information and documents that Company, in its sole discretion, deems necessary or appropriate to comply with any laws, regulations, rules or agreements, including without limitation judicial process. Such documents include, but are not limited to, passport, driver's license, utility bills, photographs of associated individuals, government identification cards, or sworn statements. Buyer consents to Company disclosing such information and documents in order to comply with applicable laws, regulations, rules or agreements. Buyer acknowledges that Company may refuse to distribute Pre-NSP Tokens to Buyer until such requested information is provided.

4.2. Taxes. Buyer acknowledges, understands and agrees that: (a) the purchase and receipt of Pre-NSP Tokens may have tax consequences for Buyer; (b) Buyer is solely responsible for Buyer's compliance with Buyer's tax obligations; and (c) Company bears no liability or responsibility with respect to any tax consequences to Buyer.

ARTICLE FIVE: REPRESENTATIONS AND WARRANTIES OF BUYER

By buying Pre-NSP Tokens, Buyer represents and warrants to each of the nomad.space Parties that:

- 5.1. Not a U.S., Canadian, South Korean or Chinese Person: Buyer is not a U.S., Canadian, South Korean or Chinese person.
- 5.2. Authority. Buyer has all requisite power and authority to execute and deliver this Agreement, to use the Pre-NSP Distribution Contract and the Pre-NSP Smart Contract, purchase Pre-NSP Tokens, and to carry out and perform its obligations under this Agreement.
 - a. If an individual, Buyer is at least 18 years old and of sufficient legal age and capacity to purchase Pre-NSP Tokens.
 - b. If a legal person, Buyer is duly organized, validly existing and in good standing under the laws of its domiciliary jurisdiction and each jurisdiction where it conducts business.
- 5.3. No Conflict. The execution, delivery and performance of this Agreement will not result in any violation of, be in conflict with, or constitute a material default under, with or without the passage

of time or the giving of notice: (a) any provision of Buyer's organizational documents, if applicable; (b) any provision of any judgment, decree or order to which Buyer is a party, by which it is bound, or to which any of its material assets are subject; (c) any material agreement, obligation, duty or commitment to which Buyer is a party or by which it is bound; or (d) any laws, regulations or rules applicable to Buyer.

5.4. No Consents or Approvals. The execution and delivery of, and performance under, this Agreement require no approval or other action from any governmental authority or person other than Buyer.

5.5. Buyer Status. Buyer is not subject to any of the disqualifying events listed in Rule 506(d)(1) of Regulation D under the Securities Act of 1933 (a "Buyer Event"), and there is no proceeding or investigation pending or, to the knowledge of Buyer, threatened by any governmental authority, that would reasonably be expected to become the basis for a Buyer Event.

5.6. Buyer Knowledge and Risks of Project. Buyer has sufficient knowledge and experience in business and financial matters, including a sufficient understanding of blockchain or cryptographic tokens and other digital assets, smart contracts, storage mechanisms (such as digital or token wallets), blockchain-based software systems and blockchain technology, to be able to evaluate the risks and merits of Buyer's purchase of Pre-NSP Tokens, including but not limited, to the matters set forth in this Agreement, and is able to bear the risks thereof, including loss of all amounts paid, loss of Pre-NSP Tokens, and liability to the nomad.space Parties and others for its acts and omissions, including with limitation those constituting breach of this Agreement, negligence, fraud or willful misconduct. Buyer has obtained sufficient information in order to make an informed decision to purchase Pre-NSP Tokens.

5.7. Funds; Payments.

- a. Funds. The funds, including any fiat, virtual currency or cryptocurrency, Buyer uses to purchase Pre-NSP Tokens are not derived from or related to any unlawful activities, including but not limited to money laundering or terrorist financing, and Buyer will not use the Pre-NSP Tokens to finance, engage in, or otherwise support any unlawful activities.
- b. Payments. All payments by Buyer under this Agreement will be made only in Buyer's name, from a digital wallet or bank account not located in a country or territory that has been designated as a "non-cooperative country or territory" by the Financial Action Task Force, and is not a "foreign shell bank" within the meaning of the U.S. Bank Secrecy Act (31 U.S.C. § 5311 *et seq.*), as amended, and the regulations promulgated thereunder by the Financial Crimes Enforcement Network, as such regulations may be amended from time to time.

5.8. Miscellaneous Regulatory Compliance.

- a. Anti-Money Laundering; Counter-Terrorism Financing. To the extent required by applicable law, Buyer complies with all anti-money laundering and counter-terrorism financing requirements.
- b. Sanctions Compliance. Neither Buyer, nor any person having a direct or indirect beneficial interest in Buyer or Pre-NSP Tokens being acquired by Buyer, or any person for whom Buyer is acting as agent or nominee in connection with Pre-NSP Tokens, is the subject of sanctions administered or enforced by any country or government (collectively, "Sanctions") or is organized or resident in a country or territory that is the subject of country-wide or territory-wide Sanctions.

ARTICLE SIX: DISCLAIMERS

6.1. Buyer expressly acknowledges, understands and agrees that Buyer is using the Pre-NSP Distribution Contract, the Pre-NSP Token Contract and purchasing Pre-NSP Tokens at the Buyer's sole risk and that the Pre-NSP Distribution Contract, the Pre-NSP Token Contract and Pre-NSP Tokens are each provided, used and acquired on an "AS IS" and on an "AS AVAILABLE" basis without representations, warranties, promises or guarantees whatsoever of any kind by Company and Buyer shall rely on its own examination and investigation thereof.

6.2. No Representation or Warranty. (A) COMPANY DOES NOT MAKE AND EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED OR STATUTORY; AND (B) WITH RESPECT TO THE PRE-NSP DISTRIBUTION CONTRACT, THE PRE-NSP TOKEN CONTRACT AND THE PRE-NSP TOKENS, COMPANY SPECIFICALLY DOES NOT REPRESENT AND WARRANT AND EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATIONS OR WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR AS TO THE WORKMANSHIP OR TECHNICAL CODING THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT.

ARTICLE SEVEN: RISKS

PRE-NSP TOKENS MAY HAVE NO VALUE. BUYER MAY LOSE ALL AMOUNTS PAID. Buyer has carefully reviewed, acknowledges, understands and assumes the following risks, as well as all other risks associated with the Pre-NSP Tokens (including those not discussed herein), all of which could render the Pre-NSP Tokens worthless or of little value:

7.1. Blockchain Delay Risk. On the Ethereum blockchain, timing of block production is determined by proof of work so block production can occur at random times. For example, ETH contributed to the Pre-NSP Smart Contract in the final seconds of a distribution period may not get included for that period. Buyer acknowledges and understands that the Ethereum blockchain may not include the Buyer's transaction at the time Buyer expects and Buyer may not receive Pre-NSP Tokens the same day Buyer sends ETH.

7.2. Ethereum Blockchain. The Ethereum blockchain is prone to periodic congestion during which transactions can be delayed or lost. Individuals may also intentionally spam the Ethereum network in an attempt to gain an advantage in purchasing cryptographic tokens. Buyer acknowledges and understands that Ethereum block producers may not include Buyer's transaction when Buyer wants or Buyer's transaction may not be included at all.

7.3. Ability to Transact or Resell. Buyer may be unable to sell or otherwise transact in Pre-NSP Tokens at any time, or for the price Buyer paid. By using the Pre-NSP Distribution Contract or the Pre-NSP Token Contract or by purchasing Pre-NSP Tokens, Buyer acknowledges, understands and agrees that: (a) Pre-NSP Tokens may have no value; (b) there is no guarantee or representation of liquidity for the Pre-NSP Tokens; and (c) the nomad.space Parties are not and shall not be responsible for or liable for the market value of Pre-NSP Tokens, the transferability and/or liquidity of Pre-NSP Tokens and/or the availability of any market for Pre-NSP Tokens through third parties or otherwise.

7.4. Token Security. Pre-NSP Tokens may be subject to expropriation and or/theft. Hackers or other malicious groups or organizations may attempt to interfere with the Pre-NSP Distribution

Contract, the Pre-NSP Token Contract or the Pre-NSP Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Ethereum platform rests on open source software and Pre-NSP Tokens are based on open source software, there is the risk that Ethereum smart contracts may contain intentional or unintentional bugs or weaknesses which may negatively affect the Pre-NSP Tokens or result in the loss of Buyer's Pre-NSP Tokens, the loss of Buyer's ability to access or control Buyer's Pre-NSP Tokens or the loss of ETH in Buyer's account. In the event of such a software bug or weakness, there may be no remedy and holders of Pre-NSP Tokens are not guaranteed any remedy, refund or compensation.

7.5. Access to Private Keys. Pre-NSP Tokens purchased by Buyer may be held by Buyer in Buyer's digital wallet or vault, which requires a private key, or a combination of private keys, for access. Accordingly, loss of requisite private key(s) associated with Buyer's digital wallet or vault storing Pre-NSP Tokens will result in loss of such Pre-NSP Tokens, access to Buyer's Pre-NSP Token balance and/or any initial balances in blockchains created by third parties. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet or vault service Buyer uses, may be able to misappropriate Buyer's Pre-NSP Tokens. Company is not responsible for any such losses.

7.6 New Technology. The NOMAD.space Platform and all of the matters set forth in the White Paper are new and untested. The NOMAD.space Platform might not be capable of completion, implementation or adoption. It is possible that no blockchain utilizing the NOMAD.space Platform will be ever be launched and there may never be an operational NOMAD.space Platform. Buyer should not rely on the NOMAD.space platform or the ability to receive tokens associated with the NOMAD.space Platform in the future. Even if the NOMAD.space Platform is completed, implemented and adopted, it might not function as intended, and any tokens associated with a blockchain adopting the NOMAD.space Platform may not have functionality that is desirable or valuable. Also, technology is changing rapidly, so the Pre-NSP Tokens and any tokens transferable on the NOMAD.space Platform may become outdated.

7.7. Exchange & Counterparty Risks. If Buyer sends ETH to the Pre-NSP Token Contract from an exchange or an account that Buyer does not control, pursuant to the Pre-NSP Token Contract, Pre-NSP Tokens will be allocated to the account that has sent ETH; therefore, Buyer may never receive or be able to recover Buyer's Pre-NSP Tokens. Furthermore, if Buyer chooses to maintain or hold Pre-NSP Tokens through a cryptocurrency exchange or other third party, Buyer's Pre-NSP Tokens may be stolen or lost. By using the Pre-NSP Distribution Contract, using the Pre-NSP Token Contract and/or by purchasing Pre-NSP Tokens, Buyer acknowledges and agrees that Buyer sends ETH to the Pre-NSP Token Contract through an exchange account and/or holds Pre-NSP Tokens on a cryptocurrency exchange or with another third party at Buyer's own and sole risk.

7.8. Changes to the NOMAD.space Platform. The NOMAD.space Platform is still under development and may undergo significant changes over time. Although Company intends for the NOMAD.space Platform to have the features and specifications set forth in the White Paper, Company may make changes to such features and specifications for any number of reasons, any of which may mean that the NOMAD.space Platform does not meet Buyer's expectations.

7.9. Project Completion. The development of the NOMAD.space platform may be abandoned for a number of reasons, including, but not limited to, lack of interest from the public, lack of funding, lack of commercial success or prospects, or departure of key personnel.

7.10. Lack of Interest. Even if the NOMAD.space Software is finished and adopted and the NOMAD.space Platform is launched, the ongoing success of the NOMAD.space Platform relies on the interest and participation of third parties like hoteliers. There can be no assurance or guarantee that there will be sufficient interest or participation in the NOMAD.space Platform.

7.11. Uncertain Regulatory Framework. The regulatory status of cryptographic tokens, digital assets and blockchain technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether governmental authorities will regulate such technologies. It is likewise difficult to predict how or whether any governmental authority may make changes to existing laws, regulations and/or rules that will affect cryptographic tokens, digital assets, blockchain technology and its applications. Such changes could negatively impact Pre-NSP Tokens in various ways, including, for example, through a determination that Pre-NSP Tokens are regulated financial instruments that require registration. Company may cease the distribution of Pre-NSP Tokens, the development of the NOMAD.space platform or cease operations in a jurisdiction in the event that governmental actions make it unlawful or commercially undesirable to continue to do so.

7.12. Risk of Government Action. As noted above, the industry in which Company operates is new, and may be subject to heightened oversight and scrutiny, including investigations or enforcement actions. There can be no assurance that governmental authorities will not examine the operations of Company and/or pursue enforcement actions against Company. Such governmental activities may or may not be the result of targeting Company in particular. All of this may subject Company to judgments, settlements, fines or penalties, or cause Company to restructure its operations and activities or to cease offering certain products or services, all of which could harm Company's reputation or lead to higher operational costs, which may in turn have a material adverse effect on the Pre-NSP Tokens and/or the development of the NOMAD.space platform.

ARTICLE EIGHT: LIMITATION OF LIABILITY; INDEMNIFICATION

8.1. Limitation of Liability. To the fullest extent permitted by applicable law, Buyer disclaims any right or cause of action against the nomad.space Parties of any kind in any jurisdiction that would give rise to any Damages whatsoever, on the part of any nomad.space Party. Each of the nomad.space Parties shall not be liable to Buyer for any type of Damages, even if and notwithstanding the extent a nomad.space Party has been advised of the possibility of such Damages. Buyer agrees not to seek any refund, compensation or reimbursement from a nomad.space Party, regardless of the reason, and regardless of whether the reason is identified in this Agreement.

8.2. Damages. In no circumstances will the aggregate joint liability of the nomad.space Parties, whether in contract, warrant, tort or other theory, for Damages to Buyer under this Agreement exceed the amount received by Company from Buyer.

8.3. Force Majeure. Buyer understands and agrees that Company shall not be liable and disclaims all liability to Buyer in connection with any force majeure event, including acts of God,

labour disputes or other industrial disturbances, electrical, telecommunications, hardware, software or other utility failures, software or smart contract bugs or weaknesses, earthquakes, storms, or other nature-related events, blockages, embargoes, riots, acts or orders of government, acts of terrorism or war, technological change, changes in interest rates or other monetary conditions, and, for the avoidance of doubt, changes to any blockchain-related protocol.

8.4 Release. To the fullest extent permitted by applicable law, Buyer releases the nomad.space Parties from responsibility, liability, claims, demands, and/or Damages (actual and consequential) of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between Buyer and the acts or omissions of third parties.

8.5 Indemnification.

- a. To the fullest extent permitted by applicable law, Buyer will indemnify, defend and hold harmless and reimburse the nomad.space Parties from and against any and all actions, proceedings, claims, Damages, demands and actions (including without limitation fees and expenses of counsel), incurred by a nomad.space Party arising from or relating to: (i) Buyer's purchase or use of Pre-NSP Tokens; (ii) Buyer's responsibilities or obligations under this Agreement; (iii) Buyer's breach of or violation of this Agreement; (iv) any inaccuracy in any representation or warranty of Buyer; (v) Buyer's violation of any rights of any other person or entity; and/or (vi) any act or omission of Buyer that is negligent, unlawful or constitutes willful misconduct.
- b. Company reserves the right to exercise sole control over the defense, at Buyer's expense, of any claim subject to indemnification under this Section 8.5. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between Buyer and Company.

ARTICLE NINE: DISPUTE RESOLUTION

9.1. Informal Dispute Resolution. Buyer and Company shall cooperate in good faith to resolve any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including with respect to the formation, applicability, breach, termination, validity or enforceability thereof (a "Dispute"). If the Parties are unable to resolve a Dispute within ninety (90) days of notice of such Dispute being received by all Parties, such Dispute shall be finally settled by Binding Arbitration as defined in Section 9.2 below.

9.2. Binding Arbitration. Any Dispute not resolved within 90 days as set forth in Section 9.1 shall be referred to and finally resolved by arbitration under the London Court of International Arbitration (LCIA) rules in effect at the time of the arbitration, except as they may be modified herein or by mutual agreement of the Parties. The number of arbitrators shall be one who shall be selected by Company. The seat, or legal place, of arbitration shall be London, England. The language to be used in the arbitral proceedings shall be English. The governing law of the Agreement shall be as set forth in Section 10.1 herein. The arbitration award shall be final and binding on the Parties ("Binding Arbitration"). The Parties undertake to carry out any award without delay and waive their right to any form of recourse insofar as such waiver can validly be made. Judgment upon the award may be entered by any court having jurisdiction thereof or having jurisdiction over the relevant Party or its assets. Company and Buyer will each pay their respective attorneys' fees and expenses. Notwithstanding the foregoing, Company reserves the right, in its sole and exclusive discretion, to assume responsibility for any or all of the costs of the arbitration.

9.3. No Class Arbitrations, Class Actions or Representative Actions. Any dispute arising out of or related to this Agreement is personal to Buyer and Company and will not be brought as a class

arbitration, class action or any other type of representative proceeding. There will be no class arbitration or arbitration in which an individual attempts to resolve a dispute as a representative of another individual or group of individuals. Further, a dispute cannot be brought as a class or other type of representative action, whether within or outside of arbitration, or on behalf of any other individual or group of individuals.

ARTICLE TEN: MISCELLANEOUS

10.1. Governing Law and Venue. This Agreement shall be governed in all respects, including as to validity, interpretation and effect, by the international law, without giving effect to its principles or rules of conflict of laws, to the extent such principles or rules are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction.

10.2. Assignment. Buyer shall not assign this Agreement without the prior written consent of nomad.space. Any assignment or transfer in violation of this Section 10.2 will be void. Company may assign this Agreement to an affiliate. Subject to the foregoing, this Agreement, and the rights and obligations of the Parties hereunder, will be binding upon and inure to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives.

10.3. Entire Agreement. This Agreement, including the exhibits attached hereto and the materials incorporated herein by reference, constitutes the entire agreement between the Parties and supersedes all prior or contemporaneous agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof, including, without limitation, any public or other statements or presentations made by any nomad.space Party about the Pre-NSP Tokens, the NOMAD.space Software, the NOMAD.space Platform or any other tokens on the NOMAD.space Platform.

10.4. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, inoperative or unenforceable for any reason, the provision shall be modified to make it valid and, to the extent possible, effectuate the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

10.5. Modification of Agreement. Company may modify this Agreement at any time by posting a revised version on the Website, available at <https://nomad.space/purchase-agreement>. 10.7. No Waivers. The failure by Company to exercise or enforce any right or provision of this Agreement will not constitute a present or future waiver of such right or provision nor limit Company's right to enforce such right or provision at a later time. All waivers by Company must be unequivocal and in writing to be effective.
